

NOTICE OF PUBLIC HEARING

D.T.E. 03-82

November 17, 2003

Petition of Western Massachusetts Electric Company for approval of the issuance of long-term debt securities in an amount not to exceed \$52 million in principal, pursuant to G.L. c. 164, § 14 and § 17A. In addition, the Company seeks an exemption from the competitive bidding requirements of G.L. c. 164, §§ 15 and 15A.

Western Massachusetts Electric Company ("WMECo" or "Company") has filed a petition with the Department of Telecommunications and Energy ("Department") requesting approval to issue and sell long-term debt securities, in an amount not to exceed \$52 million in principal, during the period September 1, 2003 through December 31, 2004. G.L. c. 164, § 14 requires electric companies to obtain the approval of the Department prior to issuing indebtedness payable at a period of more than one year. G.L. c. 164, § 17A requires electric companies to obtain the written approval of the Department prior to loaning funds, guaranteeing or endorsing any indebtedness, or investing its funds in the stock, bonds, certificates of participation or other securities of any corporation, association or trust. According to the Company, proceeds from the sale will refinance a portion WMECo's prior spent nuclear fuel obligations to the U.S. Department of Energy pursuant to the Nuclear Waste Policy Act. The Company seeks to issue long-term debt to establish and fund a trust account for the purpose of satisfying the PSNF liability in full, and to pay the fees and expenses related to issuance of the long-term debt. In addition, WMECo seeks an exemption from G.L. c. 164, §§ 15 and 15A, which requires the Company to publicize or invite bids for the proposed transaction(s) and to comply with a par value requirement. WMECo contends that the exemptions will result in benefits to the Company and its customers, and is, therefore, in the public interest.

The Department will conduct a public hearing on Wednesday, December 3, 2003 at 10:00 A.M. at the Department's offices, One South Station, 2nd Floor, Boston, Massachusetts 02110. An evidentiary hearing will immediately follow the public hearing. The Company's petition may be inspected at the Department's offices, Monday through Friday, between the hours of 9:00 AM and 5:00 PM. Additionally, the Company shall make the petition available

for inspection at the Company's offices at 74 Brush Hill Avenue, West Springfield, MA, 01089.

Any person who desires to file written comments or to otherwise participate in this proceeding shall submit an original and three (3) copies of such written comments, or petition for leave to intervene in the proceeding, with Mary L. Cottrell, Secretary, Department of Telecommunications and Energy, One South Station, Boston, Massachusetts 02110, not later than the close of business (5:00 P.M.) on Wednesday, November 26, 2003. A copy of all written comments or petitions to intervene should be sent to the Company's attorneys, Stephen Klionsky, Esq., Northeast Utilities Service Company, 101 Federal Street, 13th Floor, Boston, MA 02110 and Leonard Rogriquez, Esq., Northeast Utilities Service Company, P.O. Box 270, Hartford, CT 06141-0270.

A petition for leave to intervene must satisfy the timing and substantive requirements of 220 C.M.R. § 1.03. Receipt by the Department, not mailing, constitutes filing and determines whether a petition has been timely filed. A petition filed late may be disallowed as untimely, unless good cause is shown for waiver under 220 C.M.R. § 1.01(4). To be allowed, a petition under 220 C.M.R. § 1.03(1) must satisfy the standing requirements of G.L. c. 30A, § 10.

All written comments or petitions to intervene also should be submitted to the Department in electronic format using one of the following methods: (1) by e-mail attachment to dte.efiling@state.ma.us or (2) on a 3.5" disk, IBM-compatible format. The text of the e-mail or the disk label must specify: (1) the docket number of the proceeding (D.T.E. 03-82), (2) name of the person or company submitting the filing, and (3) a brief descriptive title of the document. The electronic filing should also include the name, title and phone number of a person to contact in the event of questions about the filing. Text responses should be written in either Word Perfect (naming the document with a ".wpd" suffix), in Microsoft Word (naming the document with a ".doc" suffix), or as an Adobe PDF file (naming the document with a ".pdf" suffix). Data or spreadsheet responses should be compatible with Microsoft Excel. All written pleadings or comments submitted in electronic format will be posted on the Department's Website, <http://www.mass.gov/dpu>.
